Celebrating 25 years of **CWN** and **WWS** Keeping Alive our **Prophetic Enthusiasm**

Women Word Spirit

is planning to take time together
to look back at the stages of our journey,
to reflect on where we are now,
and to celebrate what has been achieved.

We will be looking forward as the **CWN/WWS** prayer says, to a new tomorrow and “rekindling the fire of prophetic enthusiasm so that WWS may continue to be **a sacred place where God and women meet**”; and we may even have some *dangerous dreams*.

We invite you to spend this time with us
whatever your Christian tradition and
however secure or insecure your beliefs may be.

We will do what we do best, use our own experience of life and of **CWN/WWS** as our main resource. We will remember where we started and look forward with enthusiasm.

We will share ideas and creativity; reflect, discuss, learn and we will relax, have fun and **CELEBRATE**.

Planners: Gillian Limb
